Sponsorship Packages 2016/17 – 2017/18

Worthing Town Football Club is the town's only FA Charter Standard Community Club, the pinnacle of the FA's grass roots club structure. We have 47 teams and 650 players covering from the age of 2 years old right through to 50+. Girls, Boys, Women & Men.

We are based at our purpose built clubhouse at Palatine Park, where we have multiple pitches.

Primarily sponsorship takes the form of Kit which is one of our biggest outgoings and your support can range from the basic Bronze package of player shirts to the Gold package which is the ultimate for any of our teams as they then have jackets and full training kit all of course with your logo/branding for a 2-year period. That's right the prices you see cover the team for 2 years so we think this gives great value to both parties.

If you have a bigger budget you can sponsor multiple teams in the same or different age groups and again it's a 2-year package.

Your support through sponsorship means we can keep the costs for our young players as low as possible, which in turn promotes participation regardless of their parents' income levels. In addition, funding of kit allows the club to use other income to support our managers and coaches who are all volunteers with FA training and development.

As well as your logo / branding on the players kit we will also provide a link from our website and include your company logo in our event programmes at our annual end of season Presentation Night and Football Festival programme held over the May bank holiday weekend.
