

WORTHING TOWN FOOTBALL CLUB – FOOTBALL FESTIVAL 2024

GENERAL INFORMATION

1. REGISTRATION

ALL teams are required to register at the office in the reception of the Clubhouse 30 minutes before the start time. In order to do this, you will need to have completed a team registration form. Registration is much quicker if this form is completed prior to your arrival. You will need ALL players dates of birth. It is the Team Managers responsibility to register the team, not the parents of individual players.

ALL TOURNAMENTS WILL KICK-OFF AT 9:30am.

If you will be arriving late, please call control and tell us. Similarly, if you are not coming, please also let us know. Any of you that have organised tournaments will know how difficult it is to change the number of teams at the last minute. Occasionally we get a team that just does not show up without explanation. Please do us the courtesy of giving us as much notice as possible if you are not coming.

Contact telephone numbers for the day will be: 07842 344309 / 01903 243449.

All Tournaments are anticipated to finish by 4:00pm at the latest depending on entrants and competition structure.

3. RESPECT & ENJOYMENT

Please adhere to the Football Association RESPECT guidelines. We will report instances of poor behaviour to the Sussex County FA where appropriate. Team Managers are responsible for the behaviour of your players, parents and supporters and we ask you to be proactive in ensuring a positive atmosphere throughout for all.

We ask that all teams, led by the team manager, ensure that there is suitable space along the touchlines of the pitches so that the players can play and the referee can referee with obstruction.

Please do not play ineligible players. We have to trust you because we have no way of checking that the information that you provide us with at registration is accurate. In the past we had a team that played an over-age player and put a false date of birth on the registration form. They were found out and disqualified.

4. REFEREES

All referees appointed by the Management of the Competition are here to act as impartial officials. Please do not come to the matchday control with complaints about the referees. You may want to let off steam but we don't want to listen to it. We will not overturn the decision of a referee so you will be wasting your breath. Many of our referees will be volunteers and some may be under the age of 18. They ALL deserve our respect regardless of whether people agree with their decisions or not. They are here to enjoy the day as well. In ALL cases, the Referees decision is FINAL.

5. GENERAL HOUSEKEEPING

Please check the programme to see when and who you are playing as team colours will be listed, the second named team will be expected to change. Please come prepared with an 'away' strip or some bibs for cases where there is a clash of colours. This will help with the tournaments running to time.

There will be plenty of bins spread across the site. Please ensure that your team does not leave any litter behind when you leave.

Dogs are allowed to the Football Festival but in ALL cases, they MUST be kept on a lead at ALL times and kept away from the edges of the pitches.

Presentations of medals to Under 6s and Under 7s teams can be made as soon as your team complete their final fixture. Other presentations will be made following the final match of your competition.

Please note that the press may also attend and take photographs, should anyone have any objections they must be made known to match control.

6. PARKING ARRANGEMENTS

There will be onsite parking available throughout the weekend at the cost of £5.00 which will include a free Football Festival programme. There is also closer parking if you are a [BLUE BADGE HOLDER ONLY](#).

We have worked extensively with our neighbours, local authorities and the police in recent years to try and alleviate congestion in and around Palatine Park over the Football Festival weekend. Please act responsibly and park sensibly with consideration of others.

Please refer to the 'Parking Information' document distributed for full details and consider our neighbours when arriving and departing. Please share the 'Parking Information' document with your players / parents. Early arrival is recommended.
